English II STAAR EOC Released Test Study Guide 2015 1 Instructions for use of this study guide: This study guide is best used as a discussion tool within a professional learning community, team, or department meeting. One person should act as the facilitator of the session, framing the question and making sure that all members give input. High School English I: Composition. The STAAR® English I test includes one question that requires you to compose an essay. You will be given a prompt and your essay will be scored according to a list of features. We'll discuss all of this in this study guide so you will be well-prepared to write on test day. English I Answer Key. 7. Answer: C C is the best choice because it offers an opinion-based critique of the article rather than a fact-based summary of the article. A, B, and D are not the best choices because they are all fact-based summaries rather than opinion-based critiques of the article. For instance, grade 3-5 students take about two hours to complete their tests while grade 6-8 take about three hours. In some cases, the tests last between 4-5 hours. STAAR end-of-year courses take 4 hours except English I, English II and English III that last for 5 hours.
