My name is Mrs. Rebecca Kilfoy (but you can call me Nurse Becky) and I am your school nurse. This is my 24th year as a nurse and my sixth year as a school nurse. I love being a school nurse because I am passionate about taking care of the children and staff and our community! For those of you who are new to CMS this year, my name is Cindy Smith, RN and I am the school nurse. This is my 3rd full year here and I love being your school nurse. Just a few quick notes: · ALL medication, prescription and over the counter, MUST be brought to the clinic by a parent/guardian/adult. My career in nursing started in the Neonatal Intensive Care Unit at Seton Family of hospitals where I worked with critical care patients 0 to 6 months old. This is my second year as a full-time School Nurse! I am super excited to be here and I am looking forward to having a great year!
